

Engaging Differences for Powerful Projects

A Tool Kit

The following Flow Chart will help you keep the “Big Picture” view of your Project in mind while you work on the steps needed to reach your Intention. It helps you see the relationship of the various “parts” to one another and to the whole.

Moving from “a” vision to **Shared Vision**

Who is “WE?”

Connecting the “Holders of the Vision”

Reality Check

Engaging others who embrace the vision

Putting Practical Feet on the Vision

Organizing Ourselves

Challenges and Opportunities

What has to Happen?

By Whom? By When?

Tracking Progress

Building Momentum

Culmination

Celebration

Reflection

Appreciations
